INFOLKS GROUP

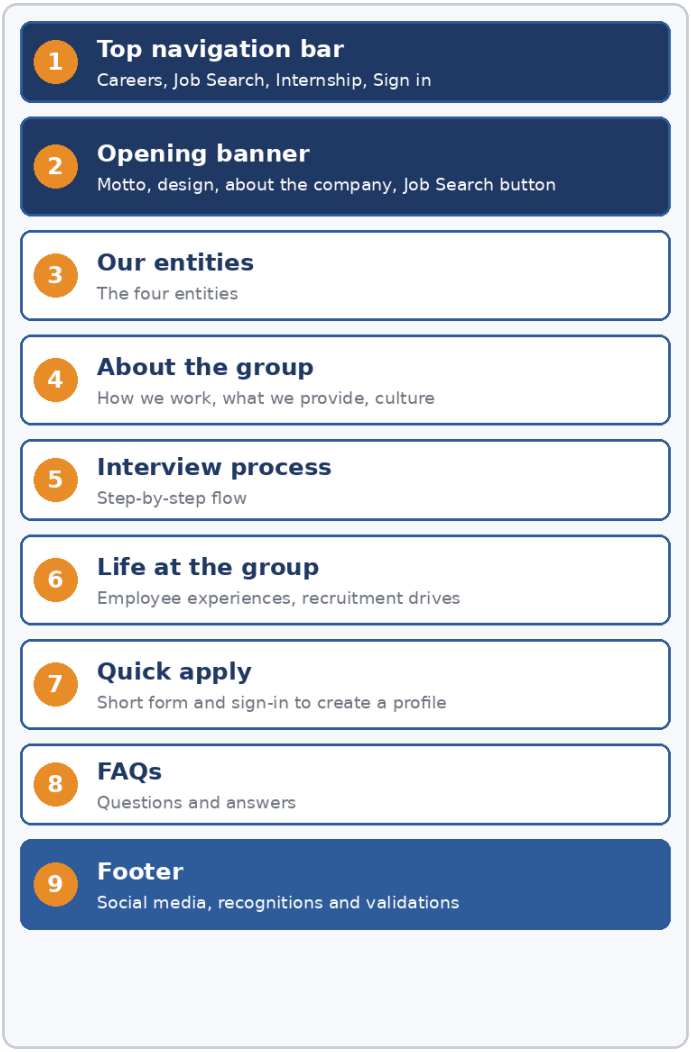

Careers Landing Page

Content and layout guide for the web development team (Version 2)

Item	Detail
Prepared by	Rahul K, HR
Date	October 2026
Prepared for	Infolks Group in-house web development team
Covers	The first careers page only: what each section is, how it looks and what content it needs. The job search page is a separate page that shows only jobs. It is not described here. This guide only says where visitors reach it.
Related document	Careers Website & HR Recruitment Portal Requirements, Version 3. Where the landing page sections differ, this guide is the newer one.

Page overview

The landing page has nine sections in this order. The page replaces the current page at infolksgroup.com/career and must match the redesigned Infolks Group website.

The nine sections, top to bottom.

No.	Section	Main content
1	Top navigation bar	Careers label, Job Search, Internship, Sign in
2	Opening banner	Motto, design, about the company, Job Search button
3	Our entities	Infolks, Webfolks, Dataways, Medrays
4	About the group	How the company works, what it provides, its culture
5	Interview process	The steps a candidate goes through
6	Life at the group	Employee experiences and recruitment drive photos
7	Quick apply	Short form to apply for any role and to create a profile
8	FAQs	Questions and answers
9	Footer	Social media, recognitions and validations

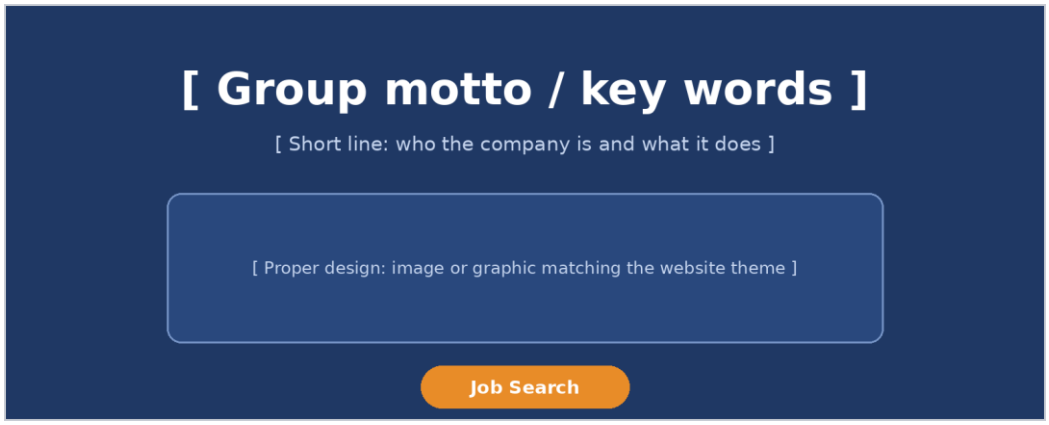

Naming: Infolks Group is the parent company. Infolks is a separate entity under it, alongside Webfolks, Dataways and Medrays. Never use "Infolks" to mean the group.

1. Top navigation bar

Example layout of this section. Text in [square brackets] is a placeholder.

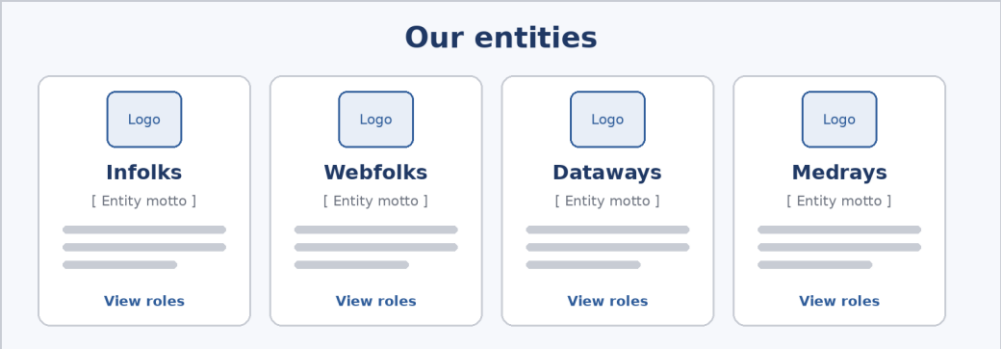

Item	Detail
Purpose	Shows visitors that they are on the careers page and gives quick access to the main actions.
What it shows	The group logo and the label "Careers", so the page is clearly the careers page. Job Search: takes the visitor to the job search page. Internship: takes the visitor to the job search page showing internship roles. Sign in: Google sign-in. After signing in, the candidate keeps a profile and joins the talent community.
Content needed	Group logo. Labels for the bar.

Example layout of this section. Text in [square brackets] is a placeholder.

Item	Detail
Purpose	Gives the group identity and explains in a few lines what the company is.
What it shows	The group motto or key words. A proper design or image that matches the theme of the Infolks Group website. A short line about who the company is and what it does. A Job Search button straight after the motto and the company line. It takes the visitor to the job search page.
Content needed	Motto or key words. Short line about the company. Banner design, image or graphic.

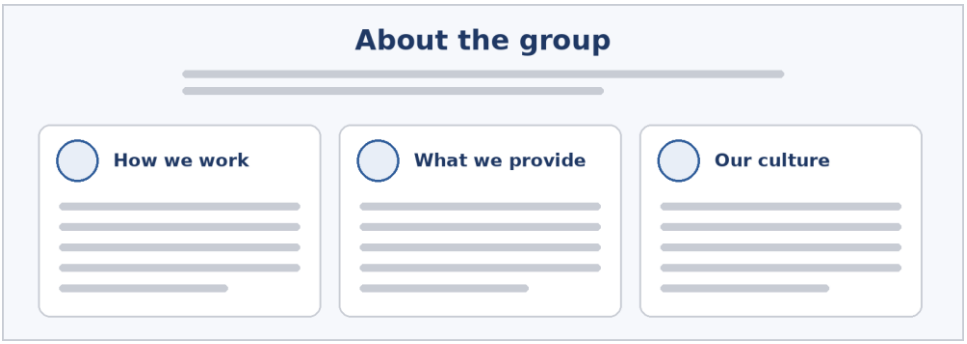

3. Our entities

Example layout of this section. Text in [square brackets] is a placeholder.

Item	Detail
Purpose	Shows the four entities under the group.
What it shows	One card for each of Infolks, Webfolks, Dataways and Medrays. Each card has the logo, name, motto and a short description, shown in that entity's own theme and pattern. A "View roles" link on each card. It opens the job search page showing that entity's roles.
Content needed	For each entity: logo, theme colours and pattern, motto, short description (2 to 3 lines).

4. About the group

Example layout of this section. Text in [square brackets] is a placeholder.

Item	Detail
Purpose	A small description of the company: how it works, what it gives to its people, and what its culture is.
What it shows	A short introduction. Three blocks: How we work, what we provide, Our culture.
Content needed	Introduction text. Text for each of the three blocks. An icon for each block.

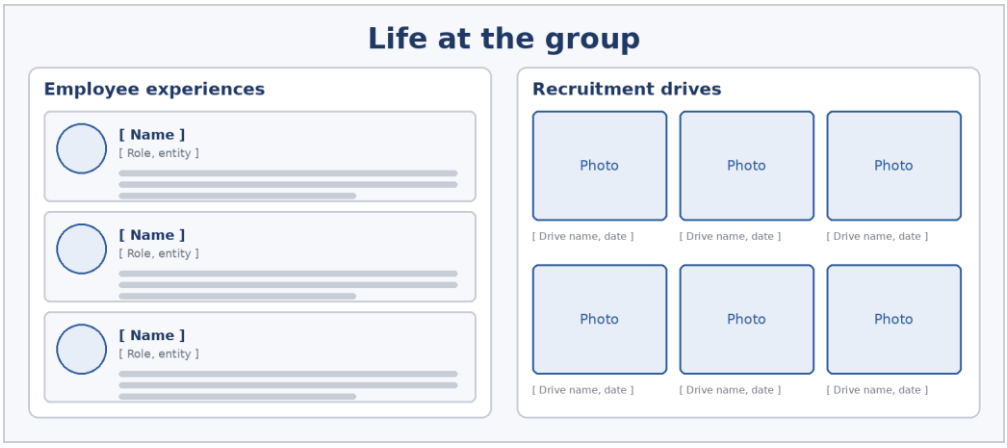

5. Interview process

Example layout of this section. Text in [square brackets] is a placeholder.

Item	Detail
Purpose	Tells candidates what to expect, so they know the steps before applying.
What it shows	The interview steps in order, as a simple step-by-step flow. Each step has a number, a name and a short description.
Content needed	List of the steps (for example application, screening, interview rounds, result). Name and one or two lines of description for each step.

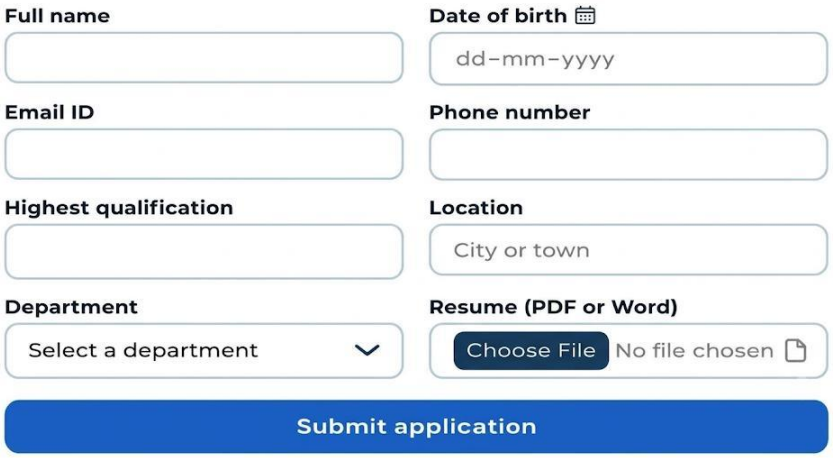

6. Life at the group

Example layout of this section. Text in [square brackets] is a placeholder.

Item	Detail
Purpose	Shows what it is like to work at the group and shows its recruitment activity, so candidates trust the company.
What it shows	Employee experiences: name, role, entity, photo and a short quote or story. Recruitment drives: photos of the group's recruitment drives, each with the drive name, date and a short caption.
Content needed	For each employee story: name, role, entity, photo, short text, and the employee's permission to publish. Recruitment drive photos with the drive name, date and caption.

7. Quick apply

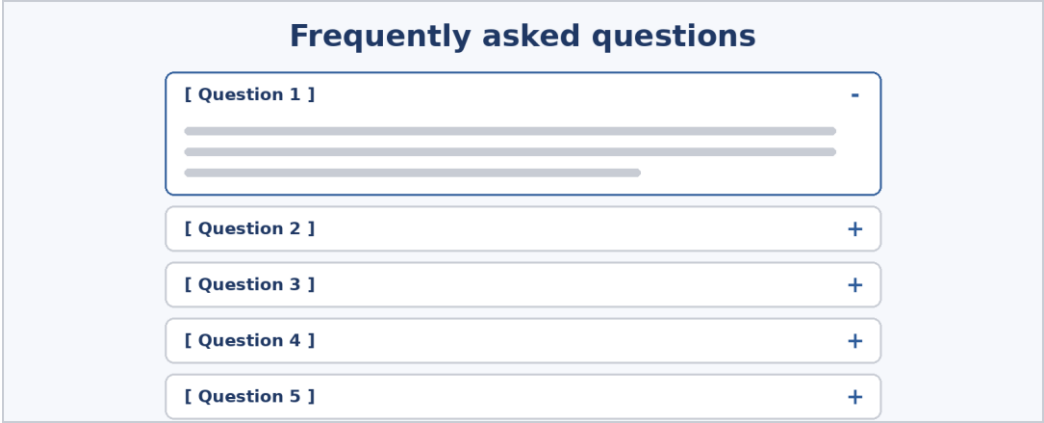

Example layout of this section. Text in [square brackets] is a placeholder.

Item	Detail
Purpose	Let's a visitor send an application without choosing one specific job and creates the candidate's profile at the same time.
What it shows	A short form with the fields in the table below and a Submit application button. The details collected create the candidate's profile and let the candidate be considered for any role in the company.
Content needed	Field labels as in the picture. The list of departments for the Department field. Rules for the resume: PDF or DOCX, with a maximum file size. Text of the confirmation message after submitting.

Field	Type	Notes
Full name	Text	
Date of birth	Date	Format dd-mm-yyyy.
Email ID	Email	
Phone number	Phone	
Highest qualification	Text	
Location	Text	City or town.
Department	Selection from a list	The list is maintained by HR.
Resume	File upload	PDF or DOCX.
Submit application	Button	Sends the application.

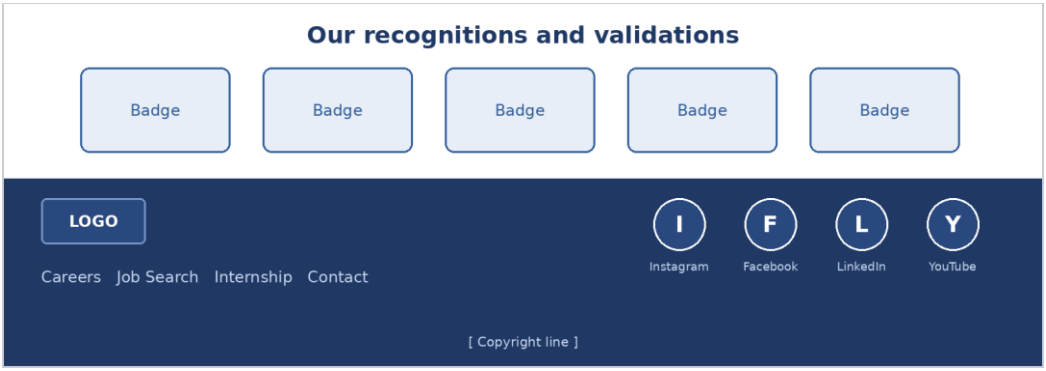

8. FAQs

Example layout of this section. Text in [square brackets] is a placeholder.

Item	Detail
Purpose	Answers the questions candidates ask most, so HR gets fewer repeated queries.
What it shows	A list of questions. Selecting a question opens its answer. Selecting it again closes it.
Content needed	Questions and answers. HR must be able to add, edit and remove questions later.

9. Footer

Example layout of this section. Text in [square brackets] is a placeholder.

Item	Detail
Purpose	Closes the page with the group's social media and its recognitions, as on any website.
What it shows	Our recognitions and validations: awards, certifications, memberships and similar badges. The footer: logo, links to Careers, Job Search and Internship, and social media links (Instagram, Facebook and the other platforms the group uses). A copyright line.
Content needed	Instagram and Facebook page links, and links for any other platform. Badge images with the name and year of each recognition. Copyright line and contact details if HR wants them.
